The totals for jelly, cake and ice cream are incorrect.

Party Food	Tally	Total
crisps		22
jelly		x 14
cake		x 25
sandwiches		8
ice cream		x 31

Entertainment	Tally	Total
clown		23
disco		12
magician		18
balloon modeller		9
party games		27

The most popular was party games.

The least popular was a balloon modeller.

The difference between a clown and a disco was 11 votes because
 $23 - 12 = 11$.

The total votes for a magician and balloon modeller was 27 because
 $18 + 9 = 27$.
