

Online Safety

In an increasingly technological, mobile age where children are growing up with internet and social media, it is more important than ever that pupils and parents know how to stay safe when online. Below are links to sites which will aid you in this.

[CEOP](#) The official site of the Child Exploitation and Online Protection Agency

[Parent Info](#) A website designed to give parents up to date information.

[Kidsmart](#) Information for Children

[Thinkuknow](#) CEOP's pages for children

[Google Safety Centre for Families](#) Advice and practical tips for keeping your family safe online

[Child online safety](#): a practical guide for parents and carers whose children are using social media

[NSPCC Net Aware](#): an excellent website providing details of social media websites and apps that are popular with children

Other Documents you may find useful:

[Advice for parents and carers on cyber-bullying](#)

[Parent and carer social networking guidance in home and at school](#)

[Sexting: Keeping Children Safe](#)

[Protecting Children on Youtube](#)
