Children are very familiar with how to use this. Click on the ‘phase 3’ tab and there are a great range of games.

- Flashcards Speed Trial is great for practising sound recognition
- Tricky Word Trucks is great for practising high frequency words
- Picnic on Pluto, Dragon’s Den and Buried Treasure are great for practising blending skills.
- There are lots of other games to practise sound recognising, blending and spelling.
- Please use the phase 3 sounds/words within these games. Move to phase 2 if your child is finding phase 3 tricky and move onto phase 4 if your child finds it too easy.

Also encourage your child to write sentences using the sounds. They love to write silly sentences!
