

Reception Weekly Activities 6th July 2020

Here are some ideas for some home learning activities. Please try to do the red activities every day. Choose one green/yellow/purple/blue activity to do too each day, if you are able to.

Please send/upload photos of your child completing any of the below activities to Tapestry. If you have lost your login details, I can reset your account. Thanks, Mrs Shaw 😊

(Mrs Shaw would use smarties for eyes, a chocolate button nose, a strawberry lace mouth, Malteser buttons and candy floss for hair!) | Discuss what the different characters might be thinking. Draw pictures of the characters with a big thought bubble and write something they might say. (Link to sheet below) | Use the story board that you created to write your own version of The Gingerbread Man. | Begin to create your own sound dictionary. This week, make a page for the sounds sh, ch, th, ng. Draw and label pictures that contain these sounds. |
