

Fritchley Primary & Nursery School

Sports Premium Spending 2018-2019

Background:

The Government has agreed to continue funding for primary school sport until 2020. As of October 2019, each school will receive £16,000 (pro-rata as part way through year), plus an additional £10 per pupil each year until 2020. For our school this means a total budget of £16,552, which is paid in two stages; 7/12 in October and 5/12 in April. Schools can choose how they use the funding as long as it is to enhance the provision of PE and Sport.

Ways in which it can be used include:

- hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons to deliver high quality PE and to develop the skills and knowledge of teachers;
- support and involve the least active children by running after-school sports clubs
- provide opportunities to try a wider range of sports
- provide resources and training courses in PE and sport for teachers
- run sports competitions and increase pupils' participation in inter-school sport
- run sports activities with other schools

At Fritchley Primary & Nursery School we use the money to encourage children: to enjoy taking part in physical activity; to provide engaging high quality PE lessons; to offer varied extra-curricular opportunities that respond to our children's interests; to improve the health, fitness and well-being of our children so that learning is positively influenced and to provide opportunities for children to take part in competitive sports with other schools.

Fritchley Primary & Nursery School Aims and Objectives

Objectives:	Aims:
To increase the physical activity ALL CHILDREN in school	All children benefit regardless of sporting activity
To work closely with Amber Valley Sports Partnership to enable children to compete in tournaments	Staff trained in sporting activities to enable children to make
To increase the range of sporting activities and clubs within school	Children have access to a wide range of sporting activities
To prepare children for inter-school competitions	Children develop leadership skills
To ensure ALL CHILDREN make good progress in their sporting abilities	Children develop resilience

We have a named dedicated Sport and PE co-ordinator - Mrs Helen Deaville. She organises all of the classes dedicated P.E. sessions, including swimming sessions for all the Junior children at Ripley Leisure centre. She also runs fitness initiatives such as 'Wake & Shake' three times a week – a ten-minute work-out, first thing in the morning and the Golden Mile – an initiative to get children running each day at lunchtimes. Fritchley Primary & Nursery School is amongst a large group of schools who subscribe to the Amber Valley School Sports Partnership (AVSSP) and Mrs Deaville also runs training sessions in preparation for the AVSSP inter school competitions and supports teams of children from the school when they enter these. The school has been very successful in its participation within these competitions, coming second in the whole of Derbyshire in 2017/18 for small schools and during this year also, our Year 5/6 teams have gone onto compete at a county and national level in football.

We also use our sports premium to employ a specialist coach – Mr Haydn Dean from the Premier Education group, who, in liaison with Mrs Deaville, runs a cycle of sporting activities with all four of our classes. The coaching provides continuing professional development for staff, and improved levels of participation and skill for the pupils. The programme also incorporates a wide variety of after school clubs, which are available to all pupils and very popular with our parents.

Our overall plan here at Fritchley Primary & Nursery School is to...

Ensure maximum participation and enjoyment

- Children's views responded to through choice of activities
- Lunchtime provision
- Ideas for playtime games
- Wet playtime resources and games

Develop Physical Activity

- Mini Leader management
- Bikeability
- Playground equipment and games

Improve Physical Education

- Quality coaching modelled in PE lessons
- Continuing Professional Development for teachers

Provide Extra – curricular opportunity

- Varied extra-curricular clubs throughout the year
- Access for all
- Signposting to local clubs

Encourage Competitive sports

- Amber Valley School Sports Partnership membership
- Participation in inter-school competition

Build resilience in our children

- Employ varied initiatives – anti-bullying ambassadors; Positive play; mindfulness; mini sports leaders

How we spent our Sports Premium funding over the last academic year (2018-2019):

Action	When	Impact
Dedicated P.E. & after school sports co-ordinator: P.E.; lunchtime clubs; afterschool competitions (£6286)	All Year	Children enjoy the continuity of a dedicated sports leader in and out of school; take part in lunchtime activities and training sessions; take a full and active, successful part in after school competitions
Amber Valley membership (£950)	On going (Paid July 2019)	Children enjoy taking part in competitive sport and school can access ideas for providing further physical activity. Opportunities to try different sports.
Premier Education Sport provision – P.E. sessions; afterschool clubs, lunch time activities, teacher’s CPD opportunities (£6780)	On going	Children experience a wide range of quality sporting activities to our children. Children well prepared for upcoming sporting events and competitions. Teachers’ confidence in teaching PE. Further developed.
Investment towards the improvement of the new playground surface and enhance the outdoor physical activity (£1500)	From September 2019	Children able to increase the level their physical activity on new more child friendly surface.

To look to this coming year (2019-2020):

As a school we want to give more children the opportunity to participate in a wider variety of interschool competitions. To prepare children for these, Mr Dean is continuing to support our children to develop their skills through curriculum and lunchtime time sessions and afterschool clubs. For this we will spend roughly £230 per week. We will also be renewing the Amber Valley membership in July 2020 at a cost of £950.

We will continue to look for opportunities for children to try different sports e.g. archery, table tennis. We are also looking to improve our playground surface and equipment within the playground with the additional help of lottery grant funding so as to encourage further physical activity during lunch and break times – building both team skills and individual aerobic and muscle strength in our children.
